If you don't text on your cell phone or use social media (facebook), please arrange to have a family member or neighbor keep you up to date on issues that arise quickly about City matters, for example: pantry hours changes, surprise food drops, water issues, etc. There is no other way to let everyone know those changes quickly.

From City Hall:

*If your water pressure is low, or you have no water, PLEASE let City Hall know immediately. As of right now, all the city leaks have been fixed but we all need to keep an eye out for future leaks.

*The city is collecting donations for a permanent headstone to properly identify and mark the Native American grave at Smith Cemetery. Mail donations to City Hall, PO Box 15. (Lance Foster with the Ioway Tribe is helping with the research).

*When there is measurable snowfall, you must move your vehicle from the streets and alleys in

order for the city to plow and not block you in. This will help us plow more efficiently.
